Pastors Bob Johnson II and Nathan H. Platt will reveal from God's Word the majesty and meaningfulness of renewing Psalm singing in corporate worship. What an inheritance in praise has been recorded for us in the Scriptures! Let us learn anew how we might employ scriptural psalmody in the weekly worship of God's people.

In addition to engaging times of corporate worship, numerous elective sessions will be offered addressing the application of the Psalms to choral music in corporate worship, worship leadership with bands and vocal teams, worship planning and the thoughtful implementation of media and sound.

Contact Cornerstone Baptist Church at (586) 445-8910 for information on registration.
